

INTRO

Your motorcycle tour in Italy will cover a tremendous variety of riding conditions including twisty mountain roads, the possibility of gravel, sand or debris on the road surface, and even the possibility of rain, fog or other adverse weather while on your tour. Elevations may range from sea level to nearly 6,000 feet (2000 m). Riding a motorcycle exposes you to temperatures that vary widely, typically related to the elevation or region we are in. This is not a holiday for novice riders or a place to learn to ride a motorcycle. It's important that you, the tour participant(s) are in reasonable physical health and accustomed to spending five days, one week or even more aboard a motorcycle.

Nor will I be influenced by riding displays by my fellow tour participants nor tour guides that could be considered unsafe. I fully understand that I may encounter riding conditions and roads that I have not traveled before, and have no prior knowledge of, and therefore will ride within a manner that is considered safe for those riding conditions. Furthermore, I agree that I will not in any circumstance ride the motorcycle, be it my own, or a provided motorcycle on a Ducati Tours Tour, beyond what is commonly considered a safe manner.

I hereby release, hold harmless, and promise not to sue Ducati Tours, its officers, owners, directors, employees, or agents (collectively "releasees") with respect to any and all bodily injury and/or other loss resulting from my participation in a Ducati Tours Tour whether as passenger or operator of a motorcycle, whether caused by the negligence of the releasees or otherwise during any respect associated with riding upon my own or my provided motorcycle.

In addition, by payment of a deposit, and/or my signature on this form, I certify that I do not have any physical or mental condition or disability that would create a hazard for me or my fellow tour participants.
